

PITCH PERFECT

Made in New Zealand

Pitch Perfect is your chance to pitch your NZ business, build partnerships and showcase your solutions to the financial services industry. It's the place for FinTech, InsurTech, HealthTech, EduTech, and RegTech companies to meet with the market. It is a breakfast session held at the FSC ReGenerations Conference 2021, in September.

PITCH PERFECT ENTRY IS FREE!

IT'S TIME TO TELL YOUR ORIGINAL KIWI STORY

In a three minute video or less, please share with us:

- **Your business (size, location etc)**
- **The origin story behind the business**
- **What the business produces/service provided**
- **The people and skills the business relies on**
- **The products that have been created and the problems they solve**
- **How this business is positively shaping the future of New Zealand**

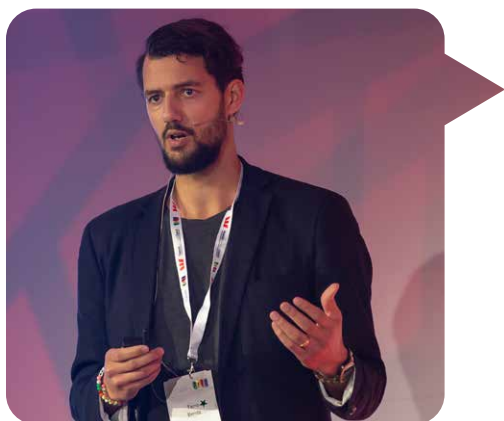

WHY ENTER

This is your opportunity to pitch in front of representatives from the financial services industry from all around the country. You will:

- **Connect with key decision makers from the financial services industry**
- **Showcase your capabilities to the financial services community**
- **Create new relationships and networking opportunities**

PLUS three finalists will be selected from the Breakfast Pitch to present to the entire conference on the main platform, and showcase their business.

HOW TO ENTER

Simply send your Pitch Perfect video to events@fsc.org.nz

The video should be no longer than 3 minutes, and be what you would pitch at the Breakfast, including key details about your business, your technology and its relevance to the financial market.

Entries from any NZ 'FinTech' business are welcome. Please note that spaces are limited.

- **Videos must be received by 30 June 2021**
- **All successful entries will be notified by 15 July 2021**

For further information visit the website regenerations.org.nz or contact on events@fsc.org.nz.
