

TECH ALLEY

Made in New Zealand

Supporting local business has never been more prominent than now, which is why the FSC Conference is proud to bring back **Tech Alley 2021 - Made in New Zealand**. Our focus this year is supporting locally owned Kiwi companies, inviting them to showcase their innovative and creative ideas by joining our TECH ALLEY marketplace.

TECH ALLEY is the place for FinTech, InsurTech, HealthTech, EduTech and RegTech Kiwi companies to meet with the market. Take the opportunity to get your ideas in front of the key decision makers in the financial services sector.

BENEFITS OF TECH ALLEY

- Showcase your capabilities with the marketplace
- Open relationships and networking opportunities
- Two exhibitor passes for the 2021 conference
- Inclusion on the conference website
- Connect with key decision makers from the financial services industry
- A 910mm x 485mm (hwx) display pod with branding
- Opportunity to enter the Pitch Perfect Competition
